United States District Court
Eastern District of New York

Brooklyn, New York 11201

Re:

Dear Judge Cogan:

The Federal Bureau of Investigation ("FBI") is requesting authorization from the Court to dispose of two rifles and a rifle scope that were recovered in connection with a 2000 investigation. FBI policy requires a federal district judge to authorize the destruction of any such equipment before the case can be administratively closed by the FBI. The United States Attorney's Office concurs with the FBI's request, as the case is ready to be closed and there are no pending appeals. Accordingly, the government respectfully requests the Court issue the proposed order authorizing the destruction of the firearms and rifle scope.

Respectfully submitted,

RICHARD P. DONOGHUE
United States Attorney
